Dear Sir/Mam,

After 3 block buster Hit-Hitcon in Ahmadabad and 1 in Vadodara we are coming with **famous & most popular Healthcare Technology event of Gujarat, HITCON** to Surat.

Year after year there lots of developments happening in field of Healthcare Technology. We are keeping track of all of them and bring it to the medical fraternity in HITCON.

After last **4 successful conferences** and more than **2500 delegates** we could really feel the enthusiasm among the medical fraternity for adaptation of technology.

In this conference there will be players from all across healthcare technology, like EHR companies, Hospital management software, various gadgets used by doctors & patients on day to day basis, latest medical equipment's companies etc. as participant and exhibitors.

Healthcare is changing fast and so we @ Hitcon always ahead in bringing this to the doctors. We are happy and feel proud in sharing that we are able to create a platform where technology meets doctors.

We are expecting about 700+ delegates across Gujarat and India from all specialties, corporate hospitals to attend this event.

We invite you to become part of this mega event.

Organizing Committee.
